

Call for submissions - ITSS Verona Magazine

ITSS Verona is delighted to announce its first Call for submissions for the first number of the new ITSS Verona Magazine. We wish to provide students, academics, and working professionals with a platform to share their ideas. The candidates will be able to write either a policy analysis or an essay on one of the topics below:

Policy analysis papers:

Threats to information security.

Provide an analysis of a present or future challenge to information security, discuss possible policy solutions to it and provide a final recommendation.

Essays:

- 1) *Unlocking the global order* (non-state actors, regional powers, China/US, international institutions, hegemonic transition, etc.)
- 2) *Striving for ontological security: challenges to individuals' security* (gender, radicalism, populism, human rights, civil wars, COVID-19, climate change, etc.)
