Panel discussion - ITSS Africa Team

Africa, what else? The Future of the Continent through New Investments, New Policies, and New International Relations with the World

Suggestion topics: Climate change, Renewable Energies, Investments in the domestic economy, Education, Culture, the role of African Union, new economy projects, Protection of cultural heritage, African external investments, IT & cybersecurity, new technologies, new possible african institutions, etc. These topics are solely meant to serve as suggestions. Should you have any other topic ideas please do not hesitate to contact us to discuss your idea.

The ITSS Verona - Africa team is happy to announce its first Call for papers for its first Panel discussion. The candidates will have to send their papers regarding the selected topics by

December 31st, 2021 @ 11.59 pm CEST

Please submit articles to: **itss.verona.magazine@gmail.com**
with the subject **“Submission-Africa”**

The intent of this call is to provide students, academics, and professionals with a platform to share their ideas related to pertinent issues about Africa.

The ITSS Africa team will select 4 candidates. Those ones will have the opportunity:

- 1) to present their thesis during the online ITSS Panel discussion, in March
- 2) to publish their paper in the first number of the ITSS Verona Magazine, in June.

Before the publication the candidates will have the opportunity to edit their paper together with the ITSS Editors.

Submission guidelines:

1) Academic Paper 2000-3000 words (without bibliography)

- Format: Times New Roman, size 12, double space
- Citation style: Chicago (footnotes and bibliography)

2) Short bio of yourself (in the text of the email)

3) The topic needs to be original. The team will not accept any form of plagiarism.

If plagiarism is detected the abstract will automatically be discarded.
